§ 3 Any person who has completed satisfactorily a course of not less than one year in the academic department of the college, or who is a graduate of the schools of music or of art, may be admitted to associate membership, by vote of the executive committee, after the class with which she entered shall have been graduated.

The privileges and obligations of active and associate members shall be the same, except that associate members shall not vote nor be eligible to office.

§ 4 Any person having a collegiate course of four years (at least two years of it at Smith college) may become an honorary member of the society at the unanimous request of her class and by a three-fourths vote of the association.

Any person taking a higher degree than B.A. at the college may be made an honorary member of the society.

Honorary members shall be entitled to attend the social and open meetings of the association.

Article 3 Officers

The officers of the society shall be a president, two vicepresidents (first and second in the order of their election), a secretary, and a treasurer. These officers shall constitute an executive committee. The president of each class shall be *ex officio* the vicepresident of the association, but not a member of the executive committee.

Article 4 Duties of Officers

The treasurer shall hold office for five years. (By amendment)

Article 7 Meetings

The regular annual meeting shall be held during commencement week. In addition to this, special meetings may be called at any time by the executive committee, and shall be so called at the request in writing of 10 members. (See bylaw 3)

Article 8 Amendments

BYLAWS

1 Every member of the association shall pay \$1 annually to defray contingent expenses. Any alumna may become a life member of the association by a single payment of \$30.

The annual fee shall become due on June 15 of each year, and the membership of each alumna shall date from June 15 of the year in which she shall sign the constitution.

The annual fee of \$1 may be remitted *sub silentio* by the president and treasurer when they deem it advisable.

2 After the first election no one shall be eligible for the office of president who has not been a member of the association at least one year.

3 Notice of each meeting shall be sent to each member by the secretary, in writing, at least two weeks before the time appointed for the meeting.

The minutes of each annual meeting, embodying the substance of all reports, shall be printed with the annual register, and sent to each member of the association as early in the fall as possible.

4 Committees for various purposes not defined in the preceding articles or bylaws may be appointed at the discretion of the association.

Such committees shall have at their disposal the money raised for their respective purposes.

5 No graduate shall be entitled to vote in this association until one year after her graduation.

6 Branch associations analogous in object to the general association may be admitted to that association by a two thirds vote of the members present at any annual meeting.

PLAN FOR NOMINATION OF ALUMNAE TRUSTEES

Adopted June 19, 1900

1 The officers of the Alumnae association, consisting of the president, two vicepresidents, the secretary, and the treasurer, shall constitute a nominating committee, whose duty it shall be, on or before December 1 of each year, to ask from each of the branches and local alumnae associations, through its electors, the names of two candidates in the order of their choice; and on or before March 1 of the same year, to select from the list thus obtained and to present to the members qualified to vote, the names of not more than five nor less than three candidates for each vacancy in the number of the alumnae trustees. With these names there shall be sent a statement of the year of graduation from Smith of each candidate, degrees received by her, positions of trust or responsibility held, the branch or branches proposing her, and such other facts as may, in the judgment of the committee, be useful to the voters. The candidate, or in the event of their being more than one vacancy to be filled, the candidates receiving the highest number of votes shall be announced as the choice of the alumnae at the annual meeting of the association, and presented for election to the board of trustees at their June session. In the case of a tie, only the two names receiving the same number of votes shall be sent back to the electors for the final ballot.

2 Each branch or local association shall choose, at each annual meeting, or a special meeting called for the purpose, one elector to serve for two years; except that, at the first election, two must be chosen to serve for two years and one year respectively, in accordance with the number of their votes.

3 The duties of the electors shall be: (a) To present at a meeting of their branch or local association, which meeting must be held not later than December 30, the names of not more than five nor less than three candidates for each vacancy in the number of the alumnae trustees. (b) To forward to the executive committee, before January 1, the names of two candidates in the order of their choice. (c) To forward to the executive committee, at the same time a statement of each candidate's qualifications for office.

4 A majority of the nominating committee or a committee of at least three appointed by said committee, whose chairman must be a member of the nominating committee, shall act as polling committee to count the ballots. (By amendment June 1906)

5 All graduates of Smith college of not less than 10 years' standing are eligible as trustees, with the exception of members of the college faculty.

6 Only voting members of the association, whose annual dues are paid or have been remitted by the president and treasurer, are entitled to vote for a nominee.

7 All other business pertaining to the nomination of alumnae trustees, not herein specified, shall be conducted by the nominating committee here designated.

The candidates nominated by the Alumnae association and elected by the board of trustees hold their positions as representatives of the association on the board for a period of three years.

MINUTES OF THE ANNUAL MEETING

June 19, 1906

Present: Miss Wilson in the chair; Miss Trowbridge, Miss Knox, Miss Covell and Mrs. Woodworth.

The minutes of the last annual meeting were read and approved. The secretary's report was read and accepted, including the following recommendations:

(1) That the extra \$50, which the executive committee voted toward the joint fellowship fund at the request of the College settlement association, be approved, and

(2) That the amount be increased next year to \$250.

Also the recommendation that a majority of the nominating committee or a committee of at least three appointed by said committee, whose chairman must be a member of the nominating committee, shall act as polling committee to count the ballots for alumnae trustee.

The treasurer's report was read and accepted.

The report of the nominating committee was presented by Mrs. Eleanor Bush Woods, '96. For vicepresident, Miss Helen Tuxbury, '80; Mrs. Charlotte Wilkinson Bragdon, '94. For secretary, Miss Ethel S. Gilman, '99; Miss Ellen Emerson, '01. Mrs. Bragdon and Miss Emerson were elected.

Voted: That the reading of the reports of the local associations be omitted and that they be printed in the register. (See page —)

The report of the committee on the new catalog was given by Miss Nina E. Browne.

In the winter of 1904 a committee of four was appointed to consider printing a new form of register; Nina E. Browne, '82, *chairman* (Lucia Clapp Noyes, '81, Mary A. Mason, '89, and May Seymour, '80).

A plan was adopted and in the late fall a blank form with explanatory circular was sent to every one who had ever attended Smith college, if

known to be living. About 400 of these came back through the post-office unclaimed, and among them a few blanks sent to graduates who had broken their class connections.

With the help of Mabel Fletcher, '85, and Abbie W. Covell, 94, the information on the blanks was made ready for the printer. In March, 1905, the copy was sent to Miss Seymour, the member of the committee who was chosen to have charge of the printing. Owing to various reasons the register was not completed in time for commencement 1905, as intended, and by vote it was held till fall to include the class of 1905. The delay in its issue after the new matter was sent was due to the printers. Could the committee have foreseen that the delay would have been so great, more work might have been done toward tracing the lost ones and those who neglected to return the blanks.

Having done as well as it could under the circumstances, the committee would make the following recommendations:

1 That, so much having been done to put in available form the record of Smith students, in five years another catalog of the same character be issued, the interval being used in efforts to get records of those of whom no information was found, and so bring the catalog up to date.

2 That each year in the fall an alphabetical list of graduates, with addresses, be issued, with a list of the non-graduate associate members of the Alumnae association, and a class list of the outgoing class, printed on paper of the same size as the new catalog, so that it can be easily kept with the full record.

3 That the Alumnae association print a bibliography of the writings of Smith students which have appeared in print, including music, book illustration or decoration. The basis for this is already well in hand.

Statement of the cost of the catalog:

Preparation, including printing of circulars, postage, express and clerical work	\$288 47
(\$149.40 of this was included in the treasurer's report June, 1905)	
Printing 4,000 copies	947 50
Distribution (envelopes and postage)	223 90
Total cost of catalog	\$1,459 87
Additional expense for annual reports for 1905 and 1906	101 14
Total	<u>\$1,561 01</u>

Voted: That the Alumnae association undertake an issue of the catalog in 1910, if the college has not taken any steps toward doing it.

Voted: That an editor be appointed to collect and keep on record such data as may be needed to issue another full catalog of former students in the year 1910.

Voted: That an alphabetical list of the graduates of the college and a list of associate members of the association and a list of the outgoing class be printed in the annual register.

It was decided that the discussion of the bibliography of the students' publications be deferred until next year.

Voted: That Miss Nina E. Browne be authorized to draw upon the treasury of the Alumnae association for a sum not exceeding \$15 for the next year for purchasing the publications of Smith college students.

Voted: That the reduction of rates to and from Northampton at commencement to $1\frac{1}{3}$ fare be left in the hands of the executive committee.

Mrs Mills (Mrs Webb being absent) reviewed the work of the Students' aid society and her report was accepted and the committee discharged. (For financial report see page —.)

The report of the committee, (1) to bring the alumnae into more prominence at commencement and (2) to bring about closer relations between the alumnae trustees and the alumnae was given by Miss Wilson, who resigned the chair to Miss Trowbridge while presenting her report.

Your committee, to whom was referred the matter of bringing the alumnae into greater prominence at commencement and bringing about closer relations between the alumnae trustees and the alumnae, have had the same under consideration, and I have been directed to report: (1) That at present, owing to physical limitations of space, no change can be made to bring the alumnae into greater prominence at commencement. The committee of the faculty on commencement (of which Miss Caverno is a member) regrets exceedingly that no change can be made until the new Assembly Hall is built. By invitation of this committee, and with the approval of President Seelye, the president of the Alumnae association is to attend commencement with the trustees and faculty and sit on the platform in recognition of the importance of the Alumnae association.

(2) Your committee carefully considered ways and means of bringing the alumnae trustees and the alumnae into closer touch and reached the conclusion that our object could best be attained by working through the larger local associations. We suggested to the associations of Western Massachusetts, Washington, New York, Boston, and Chicago that meetings be held devoted to a careful consideration of college affairs, and that there be a full and dignified discussion of college ideals, legitimate criticism of the college, and so forth, an alumnae trustee to be present at such meeting and take part in the discussion.

In accordance with this plan very successful meetings were held in Boston, Chicago, New York and Washington. The discussions were intelligent, and many valuable suggestions were made to the alumnae trustees.

In further pursuance of our plans a conference was called to meet in New York on June 9, to consider the results of the local meetings and

to formulate a plan for an Alumnae council. The following delegates were present: From New York, Mrs Florence Snow Shumway, '83; Miss Mary F. Knox, '85; Miss Margaret E. Coe, '97. From Boston, Miss S. Alice Brown, '81; Mrs Alice Atwood Coit, '94. From Chicago, Mrs Alice Peloubet Norton, '82 (trustee); Miss Martha Wilson, '95; Miss Genevieve Schofield, '05. From Washington, Mrs Justina Robinson Hill, '80 (trustee); Mrs Katherine Graves Busbey, '94. From Western Massachusetts, Mrs Sara Duryea Hazen, '96; Miss Louisa S. Cheever, '90. Miss Wilson was made chairman of the meeting; Mrs Hazen, secretary pro tem.

Your committee has carefully considered the plan outlined by this conference, and offers the following recommendations to the Alumnae association:

1 That the alumnae trustees during their term of office and for a period of the three years at the close of their term, the officers of the Alumnae association, one delegate from each registered local association or club having a membership of at least twenty five and an additional delegate from each association or club having a membership of more than one hundred, shall constitute an Alumnae council.

2 That a committee of five from said council be appointed by the president of the Alumnae association to meet at the college in January each year to confer with the president, the faculty and the undergraduates in regard to efficient lines of service open to the Alumnae association,—a report of the conference to be sent to each member of said council within two months of the meeting.

3 The said Alumnae council shall meet in Northampton within a week before commencement to act on the report of the above committee and prepare recommendations to be submitted to the Alumnae association at its annual meeting.

4 That the Alumnae association bear the expenses of the January conference, and that for the council meeting in June the Alumnae association shall meet the expenses of the trustees for three years after their retirement from office and that the expenses of other members of the council be met by them individually or by their local associations.

The report was taken up section by section, and the report as a whole was accepted and the committee discharged.

Miss Knox reported for the committee on President Seelye's portrait: After a careful investigation no final decision had been reached, but the committee thought favorably of asking Mr. E. C. Tarbell to paint the portrait.

Voted: That the executive committee arrange for the portrait, and that an appropriation not exceeding \$1,000 be made from the alumnae treasury.

Mrs Hill reported for the L. Clarke Seelye fund. In view of the large appropriation from the college treasury for the building of the library there was no attempt to apportion the income from the L. Clarke Seelye fund among the various departments.

Miss Johnson reported on the joint fellowship offered by the College settlement association and the Smith college alumnae association

That it had been held for the year by Miss Mary Van Kleeck, '04; that her work had been highly spoken of on all sides. She concluded by reading parts of Miss Van Kleeck's report.

Miss Van Kleeck's report may be found in the alumnae department of the Smith college monthly for November.

Voted: That a committee of five be appointed by the chair to coöperate with the committees of the faculty and of the trustees in raising the fund of \$62,500 for the library and biological laboratory.

Voted: That the alumnae undertake to raise this fund after the portrait fund is secured.

After much discussion, it was

Voted: That the recommendation of the executive committee to change the time of the annual meeting of the Alumnae association from Monday to Saturday afternoon of commencement week for the year 1907 be adopted.

Voted: That the Alumnae council ascertain the opinion of each member of the association as to the best time for the alumnae meeting.

The wish was expressed that the Alumnae council take up the discussion of the matter of two terms of five years each for the alumnae trustees.

A vote of thanks was offered to Mrs Hill, the retiring alumnae trustee, for her time, and the strength of her counsel.

A vote of thanks was offered to Miss Byrd for her nineteen years of service on the faculty and regrets that she finds it necessary to leave.

Voted: That Miss Mary Knox visit the class meeting of 1906 the following day, and present the work of the Alumnae association.

The nominating committee for 1906-7 was chosen as follows:

Mrs Higbee, '80, chairman; Miss Mary Knox, '85, and Mrs Alice L. Parsons, '97.

Voted: That the kind offer of Miss M. Haynes, '04, to print the college hymn in the college hymnal at her own expense be gratefully accepted.

Voted: A vote of thanks to Mrs Woodworth and Miss Trowbridge, retiring officers of the association.

The meeting then adjourned.

MARGARET K. WOODWORTH,
Secretary.

The class of 1881 has raised the sum of \$570 in commemoration of its twenty-fifth anniversary and has given it to the association with the request that it be used to complete the life memberships of all those who graduated with the class.

REPORT OF LOCAL ASSOCIATIONS OF SMITH ALUMNAE.

The Boston association has held six meetings. At the annual luncheon President Seelye and Miss Arnold, dean of Simmons college, were the guests of honor. Two meetings were devoted to the consideration of the college—its problems and its needs. Mrs Thayer and Miss Hanscom spoke. Miss Burrington of the Intermunicipal research committee spoke at another meeting. This year 77 new members have joined the association, and the average attendance at the meetings has been good.

The Chicago club has held four regular meetings aside from the annual business meeting. At the luncheon in December Miss Caverno was the guest of honor. A play written by Olive Higgins, '04, was presented by members of the association in May. The club has raised one hundred and eighty-five dollars and has never been in more flourishing condition.

The New York club has held five meetings during the year. Its object has been to stimulate interest in the club and in the college. With this in view, it has increased its membership from 280 to 400. For the first time it has published a printed list of the alumnae living in or near New York. It has interested itself in contributing to the "Monthly," and sent three delegates to the Alumnae conference. Three hundred and ten attended the annual luncheon at which the speakers were President Seelye, Mr. Samuel Clemens (Mark Twain), Sir Caspar Purdon-Clarke, and Miss Annie S. Peck. Interesting talks were also given at other meetings by Miss Williams, '91, and by Mr. Gerald Stanley Lee.

The Western Massachusetts club reports no special work for this year. It has maintained its ordinary activities, chief of which is the annual business and social meeting in the fall. At this meeting it had the pleasure of entertaining Mrs Lucia Clapp Noyes and President Seelye.

The Worcester club has sent to the Students' aid two hundred and twenty-five dollars, which was raised by an entertainment given the last of May, 1905. In the winter Mrs Jennette Lee gave a lecture on "The literary atmosphere of Smith college," and in the spring there occurred the annual luncheon at which President Seelye was the guest of honor. The club plans to raise money for the building fund the coming year.

The Syracuse club reports an enthusiastic effort to contribute generously to the Students' aid. At the time the report was sent in the club was about to give under its auspices two of the presentations of the Ben Greet company, "As you like it," and "A midsummer night's dream."

The Hartford club has held five meetings, and now gathers in a room in the center of the city instead of at the homes of the members. The membership is divided up into committees of fifteen each of which is responsible for the entertainment of one meeting. The plan has proved very successful, and the programs have included various social evenings as well as talks on topics of general interest. Twenty-five dollars has been contributed to the Students' aid society.

The Washington club has held informal meetings from time to time, with talks upon college subjects. At its annual dinner there was an attendance of 20 out of a membership of 30. This club too has been fortunate enough to secure Mr. Ben Greet and his company for three open-air performances.

The Fitchburg club numbers 48, and has had three regular meetings and four special meetings. In November the club held a luncheon, inviting the Worcester club, and had as guests President Seelye and Miss Caverno. It gave an informal reception in honor of Mr. Hamilton W. Mabie, and have had two picnics, one in observation of Mountain Day.

Through the club's efforts in the spring the Boston symphony orchestra was secured to give a concert in the city hall. From the proceeds two hundred and eighty dollars was realized by the club. One hundred of this sum was contributed to the Carnegie building fund, and a small sum to the Fitchburg vacation school.

The Southern California club now numbers 37. It continues to give its annual luncheon and to hold its business meeting in the spring. It is especially glad to welcome Smith tourists from the East and serves to keep together college girls scattered over a wide area. It has sent forty dollars to the Students' aid, and ten dollars to the San Francisco sufferers.

The Pittsburg club has held four regular meetings. One of them was a reception at Pennsylvania college to all college graduates in the city and vicinity. A second reception was given to the girls in the preparatory schools who were greatly interested in a talk on College education and another on College life. The club hopes to make this occasion an annual affair, for it seems to be an effective means of arousing enthusiasm for colleges in general.

The Detroit club reports that there have been two social gatherings this year. The number of alumnae in the city is increasing, and in the near future it hopes for more definite work and more formal organization.
